

# Charles W. Finkl Scholarship Program

Do You Know a  
**SOPHOMORE** or  
**JUNIOR** in Engineering?

**FIERF**  
FORGING FOUNDATION

## Eligibility Requirements:

Any college sophomore or junior (students entering into their junior and senior year of college in the fall) who is a full-time student majoring in metallurgical, materials, mechanical, chemical, computer, electrical, or industrial engineering at an accredited four-year college or university may apply.

Students must have a minimum cumulative Grade Point Average (GPA) of 2.75 or above, on a 4.0 scale. Scholarships are awarded in the amount of \$2,000. Awards are renewable for up to one additional year or until a bachelor's degree is earned, whichever occurs first.

First consideration is given to applicants with a connection to the Forging Industry and desire to pursue careers in the forging supply chain.
